

LIGHT + FRESH

Adding a hit of sunny colour
to public and private terraces

BY KENDRA JACKSON

1 Harper Lounge Chair by Andrew Richard Designs

Resin wicker in six brilliant colour combinations is woven in a detailed triangle pattern. The tub-shaped framework is made of powder-coated aluminum. andrewricharddesigns.com

2 Nolita 3650 by Pedrali

This wide-legged lounge chair has a comfortably low backrest, and it's easy to transport. Made of steel, the stackable armless seat comes with an optional cushion. pedrali.it

3 Kaba by Paola Lenti

In two- or three-seater lengths, this sofa by Elia Nedkov features a thin tubular steel frame, with slipcovers in a selection of outdoor fabrics. paolalenti.it

4 Sofa Bellevie by Fermob

An open, lightweight aluminum frame gives this debut outdoor sofa versatility. Spanning 160 centimetres wide, it comes in 23 colours, and the machine-washable slipcovers are UV resistant. fermob.com

5 Boxcar by Revolution Design House

This sapele wood bench can be custom sized, and the segments with powder-coated steel ends are joined with no visible hardware. An optional stainless steel planter can be inserted at one end. revolutiondesignhouse.com

6 Yard by Emu

Sporty straps in woven elastic define this aluminum tube patio chair. Available in seven colour combinations, it's part of a larger system that includes armchairs, counter-height tables, a chaise and a loveseat. emuamericas.com
